DETAILED ACTION

1. This Office Action is a response to communications dated 07/11/06. Claims 52-65 are pending in the application.

Allowable Subject Matter

2. Claims 52-65 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record, considered individually or in combination, fails to fairly show or suggest the claimed telecommunication system having telephone exchanges having direct link in the form of trunks, nodes in the form of routers communicating in the form of internet protocol, wherein the router has an adapter for exchanging status information to include traffic-blocking information to allow the flow of the new traffic to the adapter to be stopped in addition to means form converting the traffic from the packetized format to a non-packet format, structurally and functionally interconnected with other limitations in a manner as recited in claims 52-65.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
